ABOUT US

ABOUT US

Established in 1983, Ramtaps has grown into one of Australia's most trusted names in bathroom fittings. As a proudly family-owned company, we combine decades of manufacturing experience with an enduring commitment to quality, innovation and Australian craftsmanship.

A Legacy of Australian Design and Integrity

40⁺
Years of Craftsmanship

Exported to
10⁺
Countries

Made for Australian Living
Every RAM product is conceived, designed and tested in Brisbane — crafted to suit how Australians live, and how their homes flow.

Innovation with Purpose
We engineered the world's first brass-shell mixer cartridge to meet the demands of Australia's high-pressure water systems — because local conditions deserve local solutions.

Global Reach, Local Control
From New Zealand to Fiji to the UAE, Ramtaps is trusted across the globe. Meanwhile, our Brisbane and Ningbo factories ensure we deliver both agility and quality at scale.

Always Evolving
Our promise is simple: to continue building fittings that combine reliability, design and care — making everyday moments feel just right.

RAM BRASS CARTRIDGE

The Core, Now Truly Ours

For decades, RAM has been known as the inventor of the brass-shell mixer cartridge — but we never stopped looking forward.

With Australia entering the lead-free era, we saw an opportunity not just to comply, but to elevate. In 2025, our long-standing ambition became reality: a fully customised brass cartridge line, designed exclusively for RAM and produced under our full control.

Every RAM Brass Cartridge is fine-tuned to suit the unique conditions of Australian homes — from high water pressure to demanding usage. By moving away from shared technologies and placing our name on the core, we ensure unmatched reliability and identity.

We proudly announce that from 2025, all RAM mixer ranges (excluding Fiesta) are now equipped with the RAM Brass Cartridge — engineered by us, branded by us, and made for you.

From the lead-free materials we choose, to the fine-tuned engineering behind every RAM Brass Cartridge, every detail is optimised for Australia’s unique water pressure, quality and usage patterns. By bringing production entirely in-house, we no longer rely on third-party technologies. We control the process — and the promise.

From 2025, all RAM mixer ranges (excluding Fiesta) are proudly equipped with our exclusive RAM Brass Cartridge: designed, tested and trusted to deliver.

THE RAM PALETTE

Colour in the bathroom is more than a finish — it is atmosphere, identity, and the quiet detail that makes a space complete.

At Ramtaps, our Brisbane plating and finishing facilities allow us to react swiftly to custom requests while ensuring flawless quality across every surface. From the timeless appeal of chrome, through subtle greys and deep black, to the warmth of gold, these finishes have become the language of contemporary Australian interiors.

And yet, our palette does not end here. Through close partnerships with premium PVD specialists, we craft vibrant, high-performance finishes tailored for architectural and commercial projects — when ordinary just won’t do.

In this catalogue, we have chosen to present five of the most sought-after finishes — Chrome, Matt Black, Gun Metal, Brushed Nickel, and Brushed Gold. Should you desire a colour beyond these pages, our team will be delighted to explore your vision.

• All product codes follow the logic of model code + finish code. Please ensure you include the correct finish code when ordering.

• Due to the nature of electroplating, slight variations in tone may occur between production batches. PVD finishes generally provide more stability.

• All finishes shown in this catalogue are for reference only. Please refer to actual products for final colour confirmation.

THE REAL 15-YEAR WARRANTY

At Ramtaps, we pioneered THE REAL 15-YEAR WARRANTY in 2011 to set a new standard for Australian bathroom industry. Today, it remains the most comprehensive warranty of its kind: covering every finish, with parts and labour included for the first five years on almost all tapware and showers. Because true quality should never hide behind fine print.

Product Category	Warranty for Products & Parts Only	Warranty for Parts & Labour	Warranty for Finish
Brass Cartridge Mixers	15 Years	5 Years	15 Years
Fiesta Plastic Cartridge Mixers	5 Years	1 Year	5 Years
3-Piece Tapware	15 Years	5 Years	15 Years
Showers & Spouts	15 Years	5 Years	15 Years
Accessories	15 Years	N/A	15 Years
Harbic Waste Outlets	2 Year	1 Year	2 Year

• The warranty periods apply to all products purchased after 1 May 2011, for both residential and commercial use.

• For the full details of our warranty terms, please see the appendix.

EXOTIC

FORM FOLLOWS BELIEF

Exotic doesn't follow trends — it honours decisions. Calm but not passive, direct but not loud, it is designed for those who find meaning in restraint and presence in simplicity. In a world of noise, it stands for something.

EVOLVE

THE UPWARD GESTURE OF MODERN LIVING

Evolve speaks in quiet geometry — cylindrical forms refined to their essence, finished with a subtle tilt that draws the eye forward. It's a collection that grows with your space, balancing presence and restraint to create harmony without excess.

AVIAD

GEOMETRY WITH A QUIET FORCE

Aviad speaks in bold silhouettes — flat-edged spouts softened by fluid profiles. Designed for modern interiors that favour statements over subtlety, its sculptural strength anchors a sense of confidence, while smooth precision brings function and form into perfect rhythm.

FLUTE

TEXTURES OF DISTINCTION

The Flute Collection brings subtle drama to everyday rituals. Fine vertical grooves catch the light, shifting with every angle, while smooth surfaces balance the play of texture and form. A quiet confidence runs through the line — contemporary yet timeless, designed to complement spaces of lasting beauty.

FUSION CROSS

MINIMAL FORM, MAXIMUM CLARITY

Fusion Cross celebrates the essence of minimalism — pure lines, sharp geometry, and sculptural presence. Crafted for modernists who value clarity and restraint, it embodies confidence without excess.

FUSION CROSS BASIN SET - FIXED SPOUT

Jumper Valve:
FUBSALF + [Finish Code] (WELS: 4 Star - 7.5 L/min)
FUBSA6LF + [Finish Code] (WELS: 6 Star - 4.5 L/min)
Ceramic Disc:
FUCDBSALF + [Finish Code] (WELS: 4 Star - 7.5 L/min)
FUCDBSA6LF + [Finish Code] (WELS: 6 Star - 4.5 L/min)

FUSION CROSS BASIN SET - SWIVEL SPOUT

Jumper Valve:
FUBSALF + [Finish Code] (WELS: 4 Star - 7.5 L/min)
FUBSA6LF + [Finish Code] (WELS: 6 Star - 4.5 L/min)
Ceramic Disc:
FUCDBSALF + [Finish Code] (WELS: 4 Star - 7.5 L/min)
FUCDBSA6LF + [Finish Code] (WELS: 6 Star - 4.5 L/min)

FUSION CROSS HOB SINK SET

Jumper Valve:
FUFBSSLF + [Finish Code] (WELS: 4 Star - 7.5 L/min)
Ceramic Disc:
FUCDFBSSLF + [Finish Code] (WELS: 4 Star - 7.5 L/min)

FUSION CROSS VANITEE SINK SET

Jumper Valve:
FUFBVSSLF + [Finish Code] (WELS: 4 Star - 7.5 L/min)
Ceramic Disc:
FUCDFBVSSLF + [Finish Code] (WELS: 4 Star - 7.5 L/min)

FUSION CROSS WALL SPA SET

Jumper Valve:
FUSPAW + [Finish Code] (WELS: Not Applicable)
Ceramic Disc:
FUCDSPAW + [Finish Code] (WELS: Not Applicable)

FUSION CROSS WALL BASIN SET

Jumper Valve:
FUWBSALF + [Finish Code] (WELS: 4 Star - 7.5 L/min)

WARRANTY

Ramtaps is committed to investing in Australia's future and we are proud to still be designing, engineering and manufacturing products in Australia.

Aside from the benefits of retained infrastructure, knowledge, and employment for future generations this commitment allows us to provide an uncompromising level of quality and service. As a result our customers can relax in the knowledge their purchase is covered by a comprehensive warranty.

Ramtaps warrants against faults in manufacturing and materials as outlined below.

Should there be a need for a claim, the product should not be returned to place of purchase. The company is located at 556 Curtin Ave Eagle Farm 4009 and can be contacted on 0736336000 or by email mail@ramtaps.com.au. Alternative a warranty can be claimed online at www.ramtaps.com.au/service/Any warranty returns can be made at Ramtaps cost by prior arrangement with service staff. The benefits provided by this warranty are in addition to other rights and remedies available under the law.

This warranty is for product purchased after 1st May 2011

Products Fitted with Brass Cartridge

Ramtaps will repair or, at its option, replace any goods which are defective through faulty workmanship or materials within five (5) years. This included parts and labour. Additionally, the single lever mixer includes a further ten (10) years, parts only from the date of purchase.

Covers, caps or components deemed to be minor in nature will be supplied as parts only.

Products Fitted with Plastic Cartridge

Ramtaps will repair or, at its option, replace any goods which are defective through faulty workmanship or materials within one (1) year parts and labour. Additionally, the ceramic cartridge includes a further four (4) years parts only, and the Ramflex connection hoses includes a further fourteen (14) years parts only from the date of purchase.

Covers, caps or components deemed to be minor in nature will be supplied as parts only.

Two Handled Tapware and Spouts

Ramtaps will repair or, at its option, replace any goods which are defective through faulty workmanship or materials within five (5) years parts and labour, includes a further ten (10) years, parts only from the date of purchase.

Covers, caps or components deemed to be minor in nature will be supplied as parts only.

Showers

Ramtaps will repair or, at its option, replace any goods which are defective through faulty workmanship or materials within five (5) years parts and labour. Additionally, this includes a further ten (10) years, parts only from the date of purchase.

Covers, caps or components deemed to be minor in nature will be supplied as parts only.

Accessories

Ramtaps will repair or, at its option, replace any goods which are defective through faulty workmanship or materials within fifteen (15) years parts only.

Harbic Waste Outlets

Ramtaps will repair or, at its option, replace any goods which are defective through faulty workmanship or materials within one (1) year parts and labour, and a further one (1) year, parts only from the date of purchase.

General Terms

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

In order to make a claim under this warranty a proof of purchase must be provided.

Adequate access to products, fittings and fixtures to undertake warranty repairs is required.

If a service technician does not have clear access, no further work will be carried out until adequate access is available.

Water pressures must not exceed 1000kpa as per the product installation instructions.

Products must be installed in accordance with manufacturer's instructions and Plumbing code AS/NZS 3500.1-2003

Parts Considered Being Consumable

Components of the tap which are designed to be periodically replaced and/or maintained.

These components will be replaced if a manufacturing fault exists.

These parts are.

- Jumper Valves
- O-rings
- Fibre and Plastic Washers
- Single Lever Mixer Lip Seals
- Single Lever Mixer Friction Washers
- Aerator Inserts

Warranty Will Be Voided If

- The defect in goods is caused by improper use
- Failure to regularly clean or replace dirty or blocked outlet aerator inserts in tapware and/or shower heads etc.
- The defect is due to improper installation
- The lines are not flushed adequately
- The product is exposed to waterborne solids e.g. thread tape, cuttings, grit, etc.
- The defect is caused by the effects of hard water
- The product is cleaned with harsh or abrasive cleaners
- Devices are fitted to the outlet
- Acetic cure silicone is used
- Accidental damage, misuse, maltreatment, abnormal stress or strain, harsh or adverse weatherconditions or neglect

If a warranty claim is made and service staff of Ramtaps attend the Buyer's premises or place where the goods have been installed and discover that the problem arises from the faulty installation or use of the goods in conjunction with products of another manufacturer or from some other cause other than a manufacturing defect of the goods for which Ramtaps is responsible, or if the Buyer does not attend at the agreed appointment, Ramtaps may charge a service fee for service staff. Ramtaps will require dated proof of purchase of the goods before commencing work. The buyer may be asked to pay any service fee charged in accordance with this provision.
